

# Visiting the Doctor

---

SPIRE DUNEDIN HOSPITAL-READING

# Coming to meet Dr.Gada

---

Dr Gada is a paediatrician. This means he is a doctor for children. You are going to visit him at his clinic at the Spire Hospital in Reading.

# Spire Dunedin Hospital - Reading

---

# When you arrive at the Hospital

---

When you arrive, you will have to go to porta cabin and they will ask your name and take your temperature, with a special machine.

Then you will have to go to the hospital building.

Adults and children over 12 years old will be given a mask to wear during the hospital visit.

# Dr. Gada's Office

---

- Dr. Gada might want to weigh you and measure your height.
- He might listen to your chest, with a stethoscope, or feel your tummy.
- He might look in your ears and eyes.
- If you feel uncomfortable at any time you can let Dr Gada know and we can stop for a break.
- He might also have some activities and games for you to do.

# Your Journey

---

'Please read the 'Journey' section of Dr Gada's website -

<https://www.drsgada.co.uk> to find out more about:

- How to prepare for an appointment with Dr Gada? and to find out
- What happens during the appointment with Dr Gada?

# THANK YOU!
